First Meeting

▶ Hello everyone, I'm Ichika Ichihara. I'm still not used to using this pseudonym, that when my publisher calls me that (over the phone) [Oh! Is it Ichihara sensei?] I can only ask [Who's that? Ah! It's me!], how did I end up with this name...?

▶ This is my debut work and ... gosh and mom, this is how your daughter turned out! ... I'm sorry. This is always what I look like when I'm drawing.

Messy location

Because of that, when I finished drawing

"What the heck did I draw ——!?"

My face turns into this blue that is bluer than a clear sky and I almost faint. Before I submitted my work, I had never shown my family my manga, and even after I was published in manga magazines... I've still been hiding it.

▶ I never thought that my youngest sister actually bought the manga magazine that this work was being serialized in (she's a loyal fan of Hana to Yume) and the next three days after that I did my best not to appear before my father. I tried living in secret... this is the secret part of how this series came about.

But thank goodness there weren't any smutty contents right...? (I meant my manga!)

ONE GETS SO EXCITED JUST PICTURING THAT UNIMAGINABLE FEELING, OH!

New Manga Man

▶ Eh? Isn't it over when the two of them ended up together? Heh. Here to give my regards to everyone again, this is the return of Pheromomania Syndrome. About that, a friend of mine may have read it and sent me a fax saying something like I have read it. But what was written on the fax ended up to be something like...

Actual wording: Pheromomania P — Abroad

It ended up like that, what the heck does Pheromomania P mean...? Or is it Pheromomania OL...?

Things like that probably won't be published in Hana to Yume.

▶ As to what made me happy during the drawing process, it's got to be that... So even if my editor said, 'you'd better not draw any manga man.' I replied to her: 'Can't do it!' As a newcomer that's asking to ~ draw manga man... how will it turn out...?

SNIFF

Impossible

▶Up until now, I've been drawing 32 or 48 pages of a 40 page work, though I might draw a little less sometimes. (Because when I submit this, it's usually 16, 20, or 30 pages). Then the editor called and said, "Hana (to Yume) has empty pages". I thought it would only be a few pages (10~30), so I asked excitedly, "How many pages?" ♥ "Yeah, there are 60 pages".

I can't! IMPOSSIBLE Sweat

Since I did not have any experience drawing that many pages, I rejected the offer. But they are nice enough to change it to 40 pages. So if I don't accept them, then I would be disgracing the male race. (I'm a female.)

▶Due to the shortage of time, thinking about 60 pages of story content, and order would take a long time. At the end, I was able to draw 60 pages!! ^^ I was happy but made many changes... (My experience is that, when it comes to rejected pages, I'm often told "there's too many", so having the opposite happen made me uneasy.)

I GOT DIRTY CLIMBING THE MOUNTAIN! I'LL GO TOO
WHEN I GET THERE, I WANT TO GET IN IT!!
AND THEY ALSO HAVE A NATURAL HOT SPRINGS BATH!!

Shoujo Magic

I SEE IT!! IT'S THAT RIGHT!?

OH IT'S RARE TO FIND YOUNG PEOPLE UP ON THE MOUNTAINS
DO YOU GUYS NEED SOMETHING?
* So scared that he lost his voice.
Even though I like it
▶ After rearranging the contents I added 2 additional pages... And then the editor said, it's fine to have 62 pages"...
" NO! I DON'T WANT EVEN 1 PAGE EXTRA!
So I was determined to find something that I could cut out.
Me, "I'm thinking about cutting the part where Keishi pushed over Hotori (thought that was nothing special)"
Editor, "Ah! Why! DON'T LIKE IT!?
After this response
Oh EDITOR LIKES THIS KIND OF SCENE!?
Huge misunderstanding
Since I was stunned, I said...
NO! I LOVE IT!!!
Basically... Dug a grave for myself...
▶ Then later on we came across this conversation.
Me, "It looks like it ended without a big scene...It ended naturally)"
Editor, "Ah, IT WASN'T THE HEEL KICK PART?
...Heel kick part... I suddenly questioned myself whether I really knew what I had drawn.
Wait here please

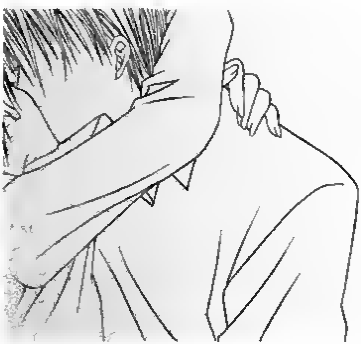
I LIKE TO WATCH YOU SLEEP WITH A BABY'S FACE.
MY HEART
IS THROBBING MADLY
I..
I LIKE HOW YOU CLING TO ME...
AND WHEN YOU SMILE...
I AM SO HAPPY THAT
IT MAKES ME REALLY HAPPY

AND THAT'S WHAT I LOVE...
ME, TOO...
HOTORI'S SMILE IS ALSO WHAT I...
THE MOST.



...WHAT I LIKE THE MOST.

Battle Flower

It's my award-winning work. Since I didn't expect a prize for this it at all, when I got the phone call about it, I actually secretly thought: This person is probably not a part of Hakusensha (publisher of Hana to Yume) at all and he's only calling me as a joke. Ahh, such memories... I'm sorry!

But then it might have been true if my work title was listed in the magazine, so I went to check and it don't see my drawings at all!

Ah Ah hh hh hh

SO I WAS FOOLED!!

Then I found it. Yes... I didn't recognize my own drawings. Even now, I still don't feel that my drawings are actually "mine"... who the heck is drawing all these, really... (shudder)

THANX

A big thanks goes to many people. Starting from my editor and advisor there are those who helped me with the publications of my books, my family who provided me with the best working environment (but dear sister please don't practice your recorder when I'm working), my friends who have given me end less support, and those who sent me fan letters (I'm sorry for not writing to those who wanted a reply. After all, I'm a lazy manga-ka... though I do plan to write some when I get a break next time). Last but not least, my utmost appreciation goes to everyone who took the time to read my work. Thank you all very much, I will keep doing my best from now on.

THOSE WHO WERE HUNTED DOWN BY ME FOR ASSISTANCE

(and all for free) I'm sorry

- Younger sister: Helped with Sayaka's hair tone. Used to be a part of art club in school. Please don't grow your boobs bigger than mine.
- Mom: Erasing and tone pasting (no cutting). Will stop working at night due to eye problems.
- Older sister: Tone pasting (Did cutting, too, until the first drafts). For some reason, she likes to fart whenever she's in my room. (Please get out)
- S-chan: Hair toning. She just mastered tone pasting lately (well, I made her). Go home before 9PM!!
- Tnaka: Tone. She gave me a BIG STACK of leftover tones from work. Is it really OK?!
- Ydai-san: Tone. She's currently looking for a word to describe our relationship. Can't "friends" be enough? (tmff)
- Tmoka-chan: Tone. The only person who has previous manga drawing experience in this list. Call me when you've finished making the harems ♥
- Ikuda: Tone. The person who tried to analyze my pen name (Ichiha) as it's first letter of my real last name, Chi - first letter of my real first name, and Ha - my specialty of catching "Hee" (flies) with "Haahs" (chopstick). None of them are correct, ya
